

has been monitoring the current treasury challenges faced in Nigeria and the elevated risks that have arisen due to the dwindling forex liquidity reserves in-country. We are aware that there has been a significant shift in trying to purchase US Dollars or Canadian Dollars in the current climate.

As an accredited educational institution in Canada, we are unable to process your international payment directly as we must comply with Canadian anti-money laundering and compliance laws. We have been working with our payment processing partners to provide additional payment options in Nigeria and can confirm that the following options are available for you make payments:

-
1. Local bank transfers in NGN
 2. Credit Card Payments in NGN
 3. No-fee CAD payment options (+ \$30 corresponding bank charges).

To take advantage of payment options in alternate currencies, simply select "Pay in another currency" when initiating your payment:
